

APP Report List

This document is a quick reference guide for users wishing to understand the contents of each report in the Arizona Procurement Portal (APP). If you have any questions, please contact the APP Help Desk at app@azdoa.gov. Additional resources are also available on the SPO website: <https://spo.az.gov/>.

Summary - The 41 APP queries that are currently available in the Analytics tab are listed below. This document provides the user with an idea of what the report will contain when it has been extracted. *Please use the following link to view an example of the report you are interested in: [APP Report List](#)
