

Viewing the Public Portal

This document is a quick-reference guide for Suppliers or the Public who need to view public solicitations and Public Contracts in the Arizona Procurement Portal (APP). If you have any questions, please contact the APP Help Desk at app@azdoa.gov. Additional resources are also available on the [SPO Website](#)

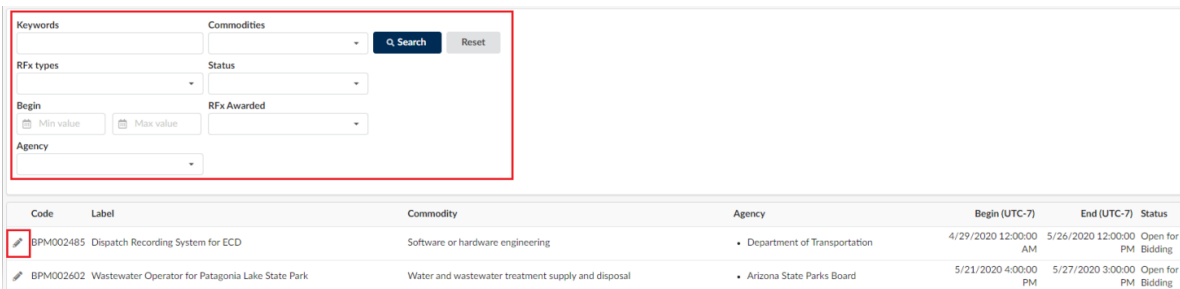

Both Public Solicitations and Public Contracts can be viewed by anyone by accessing the APP homepage. Details of these items can be viewed by looking into individual records. In addition suppliers can register for events from this public page. If you believe the records you are searching for are not public record, please submit a request through the [ADOA Website](#)

Viewing a Public Solicitation

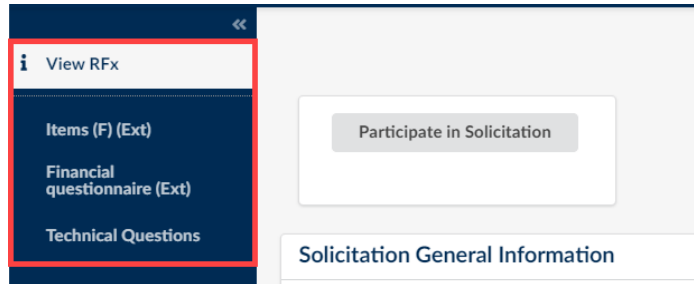

1. Navigate to the [Arizona Procurement Portal \(APP\)](#)
2. From the APP Home page click on the **Open Solicitation** Hyperlink.

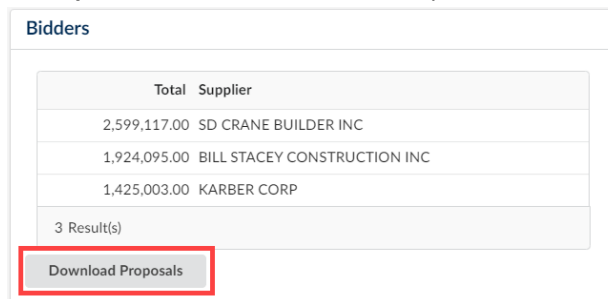

3. On the browse page, search for the desired Solicitation (also known as a RFX) by Agency, Keyword, Begin Date etc. Click **Search** to filter your results.
4. Click on the **Pencil Icon** on the left side of the record to access it.

- In the record, view the components of the Solicitation including **solicitation general information**, **solicitation documents**, **questionnaires**, and the **item grid**. Use the tabs on the left to navigate through these sections.

- After the solicitation due date has passed and the status is 'in evaluation' the Solicitation opening report will be available on the 'view RFx' tab of the record. For IFBs, this will also include the total dollar value of the proposals.
- After the Solicitation has been awarded you will be able to download all the responses from the 'View RFx' Page. Click the **Download Proposals** button to extract the zip file.

- Users can also download documents in the **Solicitation Documents** section.

Viewing Public Contracts

- From the APP Homepage click on the **State Contracts** Hyperlink.

The objectives of the Arizona Procurement Portal are to make it easier for suppliers to offer their goods and services, and to make it easier for the State of Arizona to promptly buy and pay for the goods and services it needs.

Our vision is to make procurement simple, efficient, and effective reducing complexity and increasing visibility so that we are better able to deliver on our commitments to our stakeholders.
